

Durable Lightweight Tables & Chairs

Magnattach® Portable Dance Floor

How much time & money can a portable dance floor save you?

Amazingly, a 20' x 20' Magnattach® Portable Dance Floor can be assembled or disassembled in just 7 minutes—which means time and labor costs can be reduced by up to 90%*. Beyond the fast setup, each dance floor is held securely together through a patented triple-lock system and outlasts the competition due to NO moving parts. In addition, Wilsonart® commercial laminates provide a wide variety of rich, durable finishes to choose from to complement any design need. Simply put, Mity-Lite's Magnattach® Portable Dance Floor delivers the best ROI in the industry through speed, simplicity, and durability.

Features & Benefits
