

Durable Lightweight Banquet, Meeting & Event Furniture

NEW - Expanded fabric options

comfort seating banquet chairs

access series

Presenting quality banquet seating in a straightforward, no-nonsense chair, the Access Series from Mity-Lite offers just the right amount of features for discerning, value-conscious customers who need chairs fast! Access Series steel banquet chairs stack up to 10 high and durably outperform BIFMA standards. Consistent with higher-priced chairs within the Comfort Seating brand, Access Series chairs are Greenguard® certified, available in any Mity-Lite approved or COM fabric, feature silhouette-style backs with no exposed fasteners, and are provided a generous warranty and superior customer support.
