

Durable Lightweight Tables & Chairs

Comfort Seating Banquet Chairs

CS500

Durable lightweight meets ecofriendly distinction. the Mity-Lite CS500. Utilizing one of the Earth's strongest, lightest, most sustainable materials, the CS500's aluminum frame supports over 1,000 lbs, yet each chair weighs only 12 lbs. With its patented flex-back recline system and FormFlex™ seat base, plush MDI foam cushion, fluted aluminum frame, and thousands of frame finish / fabric style combinations, the CS500 offers unmatched comfort and elegance. Call your account manager today for full customization assistance.
