

## DuraMax™ Resin Folding Chair

Mity-Lite's new DuraMax™ Resin Folding chair is perfect for those who want a classic "wedding chair" look—without the maintenance hassles of wood folding chairs. Durable construction ensures safe and stable use, while the special stain-resistant resin makes cleaning and maintenance easy. Choose now from a variety of colors for your own custom touch!

### Features:

- Premium resin construction
- Superior straight leg design
- Non-stick, anti-static finish
- UV treated to eliminate fading or discoloration
- Easily replaceable seat
- Stack 30 chairs high
- Available in White, Black, Grey & Taupe

### Benefits:

- Lightweight, durable design for greater comfort and safety
- Perfect for all indoor and outdoor events
- Designed to blend with existing wood folding chairs
- No sanding or painting required
- Holds 1,000 lbs. static load
- Three-year warranty
