

New!

Encore Staging™

Mity-Lite's new Encore Staging™ is truly unique in the industry. As a completely self-contained staging system, you'll never have to purchase separate decks and legs again—resulting in significant cost savings! In addition, Encore Staging features an innovative design for increased strength without added weight, and a compact storage profile for convenience and ease of storage. To experience the versatility of Encore Staging™ for yourself, call us today at 800-327-1692.

Features & Benefits

- Permanently attached legs fold and lock neatly under the deck
- Faster, easier handling saves time, money, and labor
- Fine-tune leg adjustments stabilize stage on uneven surfaces
- High-grade aluminum is rust & tarnish proof
- Auto-tightening leg locks ensure quiet, wobble free performance
- ADA compliant components available

Durable Lightweight Furniture Systems

Encore Staging™

F L Y E R

Length	Width	Storage Thickness (legs folded)	Short Height	Tall Height	Short Weight	Tall Weight
96" (243.8cm)	48" (121.9cm)	3.5" (8.9cm)	18"-24" (41-61cm)	24"-36" (61-91cm)	145lbs (66kg)	155lbs (70kg)

Patent-pending, auto-tightening leg locks for wobble-free performance.

Permanently attached legs fold and lock under deck for convenient "all-in-one" storage.
