

Durable Lightweight Tables & Chairs

## flex-one

Flex•One from Mity-Lite sets the standard for comfort in a folding chair at an economical price. Constructed in the USA from 18-gauge cold-rolled steel and high-impact UV stable polymers, Flex•One is extremely durable and stands up to the rigors of commercial use\*. Utilizing a unique ventilated plastic which allows its seat and backrest to flex to the contours of each individual, Flex•One minimizes pressure points and provides unbelievable comfort. Experience affordable ergonomics in a variety of colors...Flex•One!
